Your care starts with  
Primary Care

The region’s largest leading primary care provider with 9 convenient locations

Mount Nittany Health is recognized for delivering world-class care both at Mount Nittany Medical Center and across our medical practices. The Medical Center has received a five-star designation from Centers for Medicare & Medicaid Services for the past 4 years in a row – the only healthcare system in the region to do this.

Children's Advocacy Center  
of Centre County

Nationally Accredited,  
Child-Centered Advocacy

Did you know one in 10 children will experience abuse? Mount Nittany Health's Children's Advocacy Center (CAC) of Centre County is one of 40+ centers where children meet with highly skilled investigative teams. They are interviewed by experts, and receive a medical examination from a pediatrician who specializes in child abuse. The CAC staff coordinates the legal response and remain dedicated advocates for the child throughout their case.
